

Clinical Practice in Athletic Training

clinat.indstate.edu

Volume 4 – Issue 1 - February 2021

Editorial - Page 1

Minoritized Females in Athletic Training: Educator and Clinician Perspective on Exploring Barriers to Healthcare Delivery

Toni M. Torres-McGehee, PhD, SCAT, ATC - University of South Carolina*

Nancy A. Uriegas, MS, SCAT, ATC – University of South Carolina

Kenya Moore, MS, SCAT, ATC – Columbia College

Patient-Centered Care Commentary - Page 8

Intersectionality: The Role of the Athletic Trainer in Providing Culturally Competent Patient-Centered Care

Rebecca M. Lopez, PhD, ATC, CSCS – University of South Florida

Samar Long, MEd, AT, ATC – Ohio State University

Dani M. Moffit, PhD, LAT, ATC – Idaho State University

Ashley Crossway DAT, ATC – State University of New York, College in Cortland

Evidence-to-Practice Review - Page 17

Best Practices for Clinical Evaluation of Sacroiliac Joint Pain: An Evidence-to-Practice Review

Nicolette A. Harris, DAT, LAT, ATC, CSCS – AT Still University

Adriana Peña, MS, LAT, ATC – Sports Leadership and Management Academy

Sofia Núñez Rivera, MS, LAT, ATC – Florida International University

Clinical Outcomes Research - Page 24

Use of Response Shift to Improve Agreement between Patient-Reported and Performance-Based Outcomes in Knee Patients

Shelby Baez, PhD, ATC – Michigan State University

Johanna M. Hoch, PhD, ATC – University of Kentucky

Carl Mattacola, PhD, ATC, FNATA – University of North Carolina at Greensboro

Philip Gribble, PhD, ATC, FNATA – University of North Carolina at Greensboro

Jennifer S. Howard, PhD, ATC – Appalachian State University

Evidence-to-Practice Review - Page 36

Implementing Cardiac Testing to Mitigate the Risk of Sudden Cardiac Death: An Evidence-to-Practice Review

Victoria J. Simpson, MS, ATC – University of South Carolina

Zachary K. Winkelmann, PhD, SCAT, ATC – University of South Carolina

Evidence-to-Practice Review - Page 43

Racial and Ethnic Disparities in Pain Management

Nicolette A. Harris, DAT, LAT, ATC, CSCS – AT Still University

Samar Long, MEd, AT, ATC – Ohio State University

Disablement Model Case Study - Page 43

Bi-Lateral Hand Compartment Syndrome Secondary to Autoimmune Disorder in a Former High School Multi-Sport Athlete

Alyssa Vaniman, MS, LAT, ATC – California State University, Los Angeles

Clinical Practice in Athletic Training
